Dear Mom & Dad,  
We went to the Ballet last  
night and enjoyed it very  
much - it was "Don Quixote".  
Today we toured the  
winter palace of the czar.  
It is a fabulous museum  
now and has 1000 rooms.  
It is a white Christmas and  
snowed most of the day.  
Printed in the USSR

The city is very beautiful.
